

Portals package 2

Supported all platforms (PC/Consoles/Mobiles/VR/...).

This package includes 8 portal effects.

- HDRP/LWRP SUPPORTED!
- Works out of box (just drag and drop)
- Demo scene includes
- HDR Bloom particles/effects
- Works with 2D and 3D

If you have questions or suggestions, send them to my email: Erm.vladislav@gmail.com

For use any portal just drag and drop prefab to the scene.
